8. INFORMED CONSENT

I understand that physical exercise involves inherent risks, including but not limited to muscle soreness, strains, sprains, falls, cardiovascular events, and other injury or health complications. I have provided accurate health information to the best of my knowledge and agree to inform the trainer if my health status changes. I understand that the trainer will provide exercise guidance within their professional scope, but exercise does not replace medical diagnosis or treatment. I agree to stop exercise and inform the trainer if I experience unusual pain, dizziness, chest discomfort, or other concerning symptoms.
